**U.S. Department of Health and Human Service** Food and Drug Administration

FDA (Food and Drug Administration) is the United States Food and Drug Administration, directly under the government is the executive agency of the Department of Public Health and the Department of Health and Human Services. Responsible for ensuring the safety and effectiveness of food, drugs, cosmetics, medical devices, and radiation equipment for the American public. The agency regulates and approves all foods, drugs, cosmetics, and medical devices sold in the United States, ensuring that they comply with U.S. federal laws and regulations. In addition, the FDA is responsible for overseeing and regulating the manufacture, sale, and distribution of foods and drugs to ensure their quality and safety.
